

OEKO-TEX® is an association of 17 independent research and testing institutes in the field of textiles and leather with headquarters in Zurich, Switzerland. Based on its broad expertise, OEKO-TEX® offers various certifications for textiles, clothing, leather goods, chemicals and sustainable production conditions. OEKO-TEX® certifications and labels enjoy a high reputation worldwide among partners in the industry and consumers.

Are you passionate about sustainability and shaping the future of textile and leather standards?

To complement our team at the head office in Zurich, we are looking for a committed, dynamic and visionary Product Manager by appointment.

### **Product Manager (100% - f/m/d)**

We offer you an exciting position that you can develop. You will have the opportunity to develop the OEKO-TEX® standard portfolio. As a member of our team, you will be the central point of contact for our employees and managers.

#### **Your area of responsibility:**

- **Strategic Product Development:** You actively shape and further develop our key products.
- **Project Management:** You independently manage projects, keep an eye on resources, and coordinate international teams.
- **Communication & Presentation:** You act as the interface between customers, internal stakeholders, and partners – in both German and English.
- **Training & Coaching:** You conduct training sessions and presentations, ensuring knowledge transfer.
- **IT Affinity:** Digital solutions are part of your daily routine – you drive technological innovations forward.

### Your profile:

- A completed degree in Textile and Apparel Management, Textile Engineering, or Chemistry with a textile focus, or a completed vocational training in the textile or chemical sector.
- Ideally complemented by further education in business administration. Several years of experience in product or project management, preferably in the sustainable textile industry and/or LCA (Life Cycle Assessment) field.
- Experience in audits is desirable.
- Passion for sustainable products and innovative drive to actively shape the industry.
- Integrity, diplomacy, empathy, strong communication skills, and a confident presence on the international stage.
- Willingness to travel (up to 30%) and intercultural competence.
- Proficient in Microsoft Office and project management tools.
- Fluent in German and English.

### What we can offer:

OEKO-TEX® offers you a responsible, diverse, and exciting job in an international environment. You will work with a well-known brand, innovative products, and a motivated team.

- Personal freedom to develop exciting projects
- Personal responsibility
- A dynamic and motivated team with the commitment to change and a passion for sustainability
- Hybrid working model
- A central office close to Lake Zurich
